Bioresonance explained
Bioresonance explained

Marcia Pitman
Louise Porter
Contents

1 MODELS OF HEALING  1
Mechanical model  1
Biochemical model  1
Biophysical model  2
Bioenergetic healing  4
The range of bioresonance devices  5
Evidence about the effectiveness of bioresonance  6
Frequently asked questions  8
Conclusion  12

2 A MODEL OF CHRONIC ILLNESS  13
Overview of the model  13
Inputs  15
Primary disturbances  17
Cellular disruption  21
Symptoms in target organs and systems  26
Feedback  38
Bioenergetic healing  40
Conclusion  40

3 ENERGY BLOCKAGES  42
Potential blockages  43
Energy stabilisation  50
Conclusion  51
8 CONSTITUTIONAL SUPPORT

Organ support
Specific supportive programs
Conclusion

9 DETOXIFICATION

Intestines
Liver
Kidneys
Skin
Testing for toxicity
Bioresonance treatment
Diet
Nutrient supplementation
Water
Juicing
Sesame oil detoxing
Drug chelation of heavy metals
Foot ionisation baths
Conclusion

10 COMPLEMENTARY TREATMENTS

Diets
Nutrient supplementation
Exercise
Stress management
Sleep
Physical support
Emotional support
Conclusion
# Figures

1.1 Sequence of influence 3  
1.2 Therapy using bioresonance 4  
1.3 Typical effects of bioresonance treatment 8  

2.1 A model of degenerative illness 14  
2.2 Causes and effects of impaired digestion 18  
2.3 The pH scale 22  
2.4 Bioresonance treatment protocol 39  

4.1 Reactions to substances 54  
4.2 Dose-dependent reactions 59  
4.3 Overload-induced reactions 59  
4.4 Destructive interference 63  

6.1 Vaccinations as the final (but not only) immune assault 85  

7.1 Stages of abnormal glucose metabolism 93  

8.1 Constructive interference 100  

10.1 Elements of health 111  
10.2 The typical modern diet 112  
10.3 Ancient Alaskan Inuit diet 113
3.1 Symptoms of geopathic interference in the sleeping zone 46
3.2 Scars that can cause energy blockages 48

4.1 Common symptoms of hypersensitivity 56
4.2 Families of allergens 61

6.1 Pathological flora of the small intestine 75
6.2 Symptoms of candidiasis 77

7.1 Symptoms of hypothyroidism 89
7.2 Symptoms of hyperthyroidism 90
7.3 Symptoms of a slowed metabolism 96

8.1 Frequency band of the organs 99

9.1 The liver cleansing diet 107
